## ABOUT ME

I have experience in developing responsive, user-friendly web applications using HTML, CSS, and JavaScript. I specialize in working with React, Next.js, Bootstrap, and Material UI to create beautiful and intuitive interfaces. I have a strong eye for design and enjoy collaborating with designers to create visually stunning interfaces that enhance the user experience. I stay up-to-date with the latest technologies and trends in front-end development and am always looking for ways to improve my skills.
